Topic 4B: CHART - The measure of success in ministry:

Spiritual great grandchildren (2 Tim 2:2)

OBJECTIVE/VISION/GOAL:

We need to create a vision for every believer to have an eternal, spiritual impact on the lives of others through the ministry of evangelism and discipleship. The specific objective for *each* multiplying discipler/SGL would be to build a team of multiplying disciplers/SGLs to the spiritual great grandchildren level according to 2 Timothy 2:2: “*And the things you² have heard me¹ say in the presence of many witnesses³⁻⁴ entrust to reliable men⁵⁻¹³ who will also be qualified to teach others¹⁴⁻⁴⁰.*”

A disciple of Christ would seek to win, develop and deploy a network of 40 disciplers – a worthy lifetime goal!
