

2011 Fruit of the Ministry

Our Strategic Impact team made a major change in our ministry in 2011. Previously, we conducted conferences for Christian leaders. However training multiplying leaders involves more than just a conference event - It is a process. So, our team made a couple of significant changes:

- First, each of us travel every three months with our international staff to major cities where we have launched our ministry.
- Second, we launched (and continue to develop) a two-year *School of Multiplying Leaders (SML)* in order for pastors and emerging leaders to continue their practical training toward making multiplying disciples who plant multiplying churches.

Among the major requirements for those enrolled are:

1. Each must meet weekly in a *Life Transformation Group* of 3 to learn, grow and lovingly hold one other accountable.
2. Each shares the Gospel with at least one person every week and,
3. Each must enroll two new leaders within 6 months, insuring multiplication.

Below are the number of pastors and church leaders currently enrolled in the *SML* in its inaugural year, along with some of the fruit flowing from this training:

<i>Mexico</i>	<i>72</i>
<i>Cuba</i>	<i>32</i>

- Each of these leaders will **multiply new leaders and plant Cell Churches** in 2012.
- The *SML* will be launched and expanded into the **India** region of Asia in 2012.
